Brother Randall and Sister Lorraine Diane Dalton,

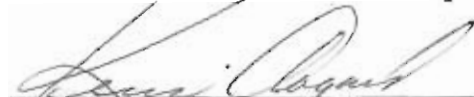

The Stake Presidency is considering formal disciplinary action against you, including the possibility of disfellowshipment or excommunication, because you are reported to have been guilty of apostasy.

You are invited to attend this disciplinary council to give your response and, if you wish, to provide witnesses (church members) or other evidence in your behalf.

We would like you to come before the council on Saturday, November 28, 1992 at 7:30pm. We will meet in the Moroni Stake high council room. It is very important for you to be there. Please notify President Aagard immediately if you will be unable to attend on the date given. He can be reached at home (436-8575) or at work (864-5542) during early morning or late evening. If you choose not to be present the council will proceed using the information currently available to us.

Sincerely,

Moroni Stake Presidency

MORONI UTAH STAKE

December 13, 1992

Dear Brother and Sister Dalton,

We are writing to inform you of the decision of a disciplinary council held in your behalf on November 28th, 1992 and later reconvened for determination of a final decision.

After your refusal to accept an invitation from your family wherein they offered to move you and provide you a home in Portland away from your apostate associations and your refusal of our suggestion for a lesser degree of discipline if you would move and break off association with other apostates and apostate teachings, the unanimous decision of the Disciplinary Council was to excommunicate you from the Lord's Church.

You should be aware that five of the six witness you had testify in your behalf have since changed their position and feel you are involved in apostate practices and recognize excommunication is necessary.

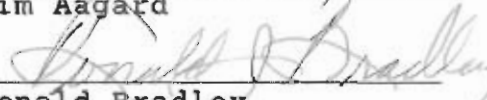

At a future time we hope your hearts will be softened, that you will humble yourselves, sincerely repent and come back to the Lord's true Church.

Sincerely,

Moroni Stake Presidency

Kim Aagard
