Dear Bishop Gardner:

I am writing to officially request that my name be stricken from the records of the Church of Jesus Christ of Latter-day Saints. I no longer believe in the "living prophet" or that the Mormon church is divine in origin. I do not believe that Joseph Smith was divinely appointed and do not believe Jesus Christ ever started a church historically or in the time of Joseph Smith. I want to complete the LDS Church's irrelevance in my life by having any record of me existing in its membership archives expunged. I would appreciate a written reply that my wish has been granted.

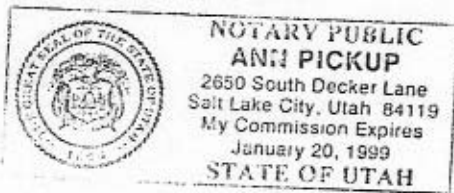

My name is Steven Ross Clark dob April 15, 1952 Orange, California.

Thank you,

Steven R. Clark

RE: Removal of Name from Church Records

Dear Bro. Clark:

This letter is in response to your request to have your name removed from the records of the Church. I have received your written request dated March 27, 1996 seeking to have your name removed for reasons that you no longer believe in a living prophet, in the Church's divine origin, that Joseph Smith was divinely appointed nor do you believe that Jesus Christ ever started a church historically or through Joseph Smith.

It is important that you understand that removing your name cancels the effects of baptism, withdraws the priesthood you hold, and suspends sacred temple blessings and sealings. As a returned missionary and one who has been through the temple, you will fully realize the consequences involved.

As a result of your request, your name is being removed from all Church records. This action can be rescinded by you only if the stake president receives a written request from you for recession within thirty days from the date you receive this letter. The stake president is:

President William Meaders Jr.
1604 Roenewood Circle
Bennion, Utah 84123

Sincerely,

L. Brent Gardner
